OPENING DAY 15.09.2023

PROGRAMM

Yeast information stand

A mash as a base fermented with different yeasts. Taste how the mash has developed differently.

Beer Escape the Bar

Together with Mario, you set out on 4 trials. Will you be able to solve them and escape from the bar?

Guided tour brewery

Explore the brewery with master brewer Fridtjof Stelter. Technical details and much more can be found on this tour.

Guided tour Lallemand

Let Markus Walzer take you into the world of yeast. Explore the Lallemand yeast farm with him.

Beer and Wellbeing

Claus Christian Carbon, Professor of Psychology, focuses on the health and social aspects of our favourite drink.

Virtual Vienna Pubcrawl

A pub crawl without leaving the room? Together with Martin Voigt you go on a virtual tour through Vienna with some real tasting stops.

XXL Stammtisch

the classic, the legend ... our tried and tested XXL regulars' table
